APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, place of use and manner of use of a portion of the water of North Zephyr Cove Creek heretofore granted under Permit 2298, Certificate 400 is issued subject to the terms and conditions imposed in said Permit 2298, Certificate 400, and with the understanding that no other rights at the source shall be affected by the change proposed herein. A measuring device must be installed near the point of diversion and accurate measurements must be kept of water placed to beneficial use. This permit is subject to the final allocation of the State of Nevada under the California-Nevada Interstate Compact or any subsequent allocation approved by both states. The state retains the right to regulate the use of the water herein granted at any and all times.

The total combined diversion of water under permits 72124 and 72125 shall not exceed 0.27 cubic feet per second. The total combined duty of water under Permits 72124 and 72125 shall not exceed 65.76 acre-feet annually.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

(CONTINUED ON PAGE 3)

(PERMIT TERMS CONTINUED)

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.27 cubic feet per second, but not to exceed 65.76 acre-feet annually.
